

## **Inn CleanSeal Program and Safety Guidelines**

The Inn at the WAC is committed to the safety of our members, guests, and team members. We follow the health and safety guidelines in accordance to the Centers for Disease Control and Prevention's response. Highlights from the Inn CleanSeal Program are:

- All team members will be assessed and attest to their fitness for duty before each shift.
- Sanitation dispensers will be available throughout the Clubhouse and the Inn.
- Our lobby-level Welcome Desk is operational 24 hours. Personal protective equipment is available for members, guests, and team members at the Welcome Desk.
- Enhanced and frequent cleaning of all public and back-of-house areas. Including all handles, doors, surfaces, bathrooms, and elevators.
- The Inn front desk will practice social distancing and offer a contactless payment process. Key cards will be sanitized prior to distribution. Guest folios will be sent via email.
- We will maintain our high standards of housekeeping using Ecolab Peroxide Multi-Surface Cleaner and Disinfectant and Ecolab Scrub-Free Bathroom Cleaner and Disinfectant. Both are hospital-grade and registered with the Environmental Protection Agency.
- Guest rooms will be held for 72 hours between stays and thoroughly cleaned following our Inn CleanSeal Program's housekeeping guidelines.
- Laundry and linens will be washed in accordance with Centers for Disease Control and Prevention (CDC) guidelines. Used linen will be bagged in the guest room to eliminate excess contact while in transport.
- High emphasis and focus on disinfecting all touchpoints in the rooms, hallways, and elevator landings.
- Continuous team member training and COVID-19 operating protocols.
- Maintaining social distancing and contactless interactions, when possible.

The Washington Athletic Club is taking measures to ensure health and safety guidelines throughout the Club. From entry into the Clubhouse, to all 21 floors, we are committed to vigorous cleaning and keeping our members, guests, and team members safe by practicing social distancing.

- All patrons are asked to wear face masks. The Club will supply a mask should our members and guests request one.

- All seating areas throughout the Club are reconfigured to promote social distancing.
- Athletic areas will resume operations during Phase 3. The pool, steam room, and hot tubs will remain closed until further notice. Sauna limit is two users at a time. Fitness areas will be allotted to maximum capacity based on guidelines of square footage, and members will have a time allotment. Workout equipment will be spaced apart and/or not in use to practice social distancing. Fitness floors will be closed once a day, for approximately 30 minutes, to allow deep cleaning with an EMist electrostatic disinfectant system. All fitness area users will be issued a spray bottle of disinfectant and two towels—one for cleaning equipment, one for sweat—prior to workout. Users must thoroughly disinfect equipment after use.
- The Spa at the WAC will offer nail appointments and hair appointments. Additional services will include waxing, spray tans, and lash tinting. Massage services will resume during Phase 3.
- Barbershop capacity will be maximum two clients per session. In between sessions, the Barbershop will be closed for intermediate cleaning. Shaving services are not available.
- Masks are required in the Spa at the WAC and the Barbershop.
- Torchy's main dining will remain closed through the summer. Hagerty's and the WAC Café will operate with adjusted hours and follow guidelines of social distancing by six feet and reduced capacity. Room service will follow social distancing guidelines. Pickup or curbside delivery is available via text, call, or online ordering in some cases.
- Retail outlets will sanitize all purchases while following social distancing guidelines.
- Valet service is suspended. Self-park is available in the WAC Garage.

Waiting areas have been established and configured to practice social distancing. Members and guests will be contacted when access is permitted to their designated destination inside of the Clubhouse.

Many departments will operate on adjusted hours. Please see [wac.net](http://wac.net) or call us at 206.622.7900 for more information.

**COVID-19 NOTICE:** Washington Athletic Club is following all CDC recommendations, <https://www.cdc.gov/coronavirus/2019-ncov/about/symptoms.html>, to help prevent the spread of COVID-19. We encourage all parties we interact with to do so as well. If you are experiencing any symptoms defined by the CDC, do not come to the Club. Thank you for your cooperation and help preventing the spread.
